

Parkhead PS – Welcome back P1a Newsletter

Message from the class teacher-

Hello everyone. I would like to take a moment again to welcome all the new P1 children and their families to Parkhead PS. The children have had a fantastic first few weeks in school and have been busy exploring the classrooms, learning new routines and making new friends. Thank you to everyone who came along to meet the teacher, it was lovely to see you again. If you could not come along, a PowerPoint with some class information can be accessed on our school website. Our class Seesaw page has now been set up so please make sure to check this regularly. We will soon be teaching the children how to post photos to their own account. We encourage the children to share their learning regularly with you so if you start seeing lots of blurry pictures and wonder what they are– it will be a piece of work your child is proud of and have posted themselves 😊.
