

Parkhead PS - Welcome back P1b Newsletter

Message from the class teacher-

Hello everyone! Welcome once again to Primary 1B, I hope all of the children have been busy telling you about the amazing things they have been doing in the classroom! It has been an amazing (and I can imagine slightly hectic) few weeks for everyone however it is wonderful to see the children really settling into the Parkhead life with their new friends and seeing them take part in all of the activities and exploring them!

I'd like to say a big thank you to everyone who came to the meet the teacher day however if you missed it don't worry, the PowerPoint is available on the school website for you to see. I'd also like to let everyone know that SeeSaw is now up and running too. If you login you will begin to see different posts and observations from the class in the coming weeks so keep an eye out for some of your wee ones hard work which they may also post themselves 😊
