

## Parkhead PS - Welcome back P1c Newsletter

### Message from the class teacher-

Hello everyone, I would just like to say welcome again to all of the new P1c children and their families to Parkhead PS. The class has had an amazing first couple of weeks and I hope the children have been telling you all about it. We have all been very busy exploring our new classrooms, learning new routines and making new friends. Thank you again to everyone who came along to meet the teacher, it was lovely to see you again. If you were unable to pop along then don't worry because a Powerpoint with some class information can be accessed on our school website.

Our class Seesaw page has now been set up. If you log in you can begin to see different posts and observations from the class in the coming weeks. The pupils have loved sending voice notes and seeing pictures of themselves learning. We will soon be teaching the children how to post photos on their own to encourage the children to share their learning regularly with you so please don't panic if you start getting blurry pictures and wonder what they are- it will be a piece of work your child is proud of and have posted all by themselves!
