

Parkhead PS - Welcome back P2b Newsletter

Message from the class teacher – It has been lovely to welcome back all the children into P2. They have done really well getting to know each other and we have done lots of getting to know each other activities since we have all come from different classes. The children have been talking about their wonderful summer holidays and it's been lovely to hear what everyone has been up to. I look forward to getting to know everyone even more!

How have we spent our first few weeks?

Literacy - We have been learning about adjectives and we used them to describe an alien. We are trying to use finger spaces, adjectives, writing our letters the right way round, full stops and capital letters. We have been trying to identify the first sound we hear in a word.

Numeracy – We have been counting forwards and backwards. We have been choral counting and finding patterns. We have learned about doubles and have done lots of activities on 3D shape. We have just learned about corners, sides, edges, vertices and faces and we worked with the teacher to count them on 3D shapes.

How are we finding Primary 2 so far?

Comments from the class

“I love it!”

“I like it.”

“School is cool.”

“Best teacher ever!”
