

## Parkhead PS - Welcome back P3B Newsletter

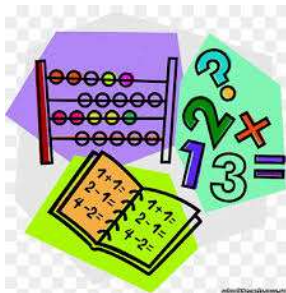

Message from the class teacher-

I'd like to once again take a moment to wish Primary 3B a massive welcome back from their Summer - what a first few weeks we have had together! It has been wonderful to get to know the children already and to start building our relationships together as a class community. The children are so enthusiastic towards their learning and I can't wait to see what they will achieve over the coming year! At Parkhead Primary we value home-school links. If you have any questions or wish to discuss anything, please do not hesitate to contact me.

Miss Carmichael

How have we spent our first few weeks?

Literacy- This term we will continue to work on learning new spelling strategies through our letter sounds using our Jolly Phonics programme to help us read and spell new words. We will be looking at the features of narrative writing through our PM writing program. We will also continue to work closely on recognising common words by sight and reading strategies to develop reading fluency.

Numeracy- This term in numeracy we will be focusing on number structure and place value strategies using a mixture of concrete, pictorial and abstract strategies. We will also be looking at properties of 2D and 3D shapes.

How are we finding Primary 3B so far?

Comments from the class:

"I'm enjoying going to Assemblies as a Primary 3 with my new Teacher".

"I love our new electricity topic we made circuits and learned symbols".

"I like that we have moved upstairs to a brand new classroom – it feels exciting".

Important dates-

Friday 13<sup>th</sup>- Tuesday 17<sup>th</sup> September – September long weekend holiday

Thursday 26<sup>th</sup> September 2-3pm- Chit Chat

Thursday 3<sup>rd</sup> and Friday 4<sup>th</sup> October- Parent Consultations
