

## Parkhead PS - Welcome back P4b Newsletter

Hello and welcome to the first newsletter from P4b. We have had a busy start to the term, getting back into our daily routines and settling into our new classroom. It was so lovely to meet many of you at the Meet The Teacher event. If you have any queries, questions or feedback for us, please feel free to send an email.  
Mrs Hogarth and Mr Jeffrey

How have we spent our first few weeks?

Literacy- Jax: We did a spelling test so our teachers know which patterns we need to practise.  
Oscar – we are really enjoying our class novel, “The Day I fell into a Fairytale” by Ben Miller.  
We have been using our word attack skills to read new words. We will bring a bookmark home to help us use these strategies.

Numeracy- Tyler: For our Number Talks we have been using ‘making a ten’ to work out the answer to a question.  
Jacob: For our mental maths we have been counting in 2’s, starting from random numbers.  
Ari: We have been learning about canonical and non canonical numbers. For instance 67 canonically is  $60+7$  but non canonically can be  $40+27$  or  $40+20+7$  or  $50+5+5+1+6$ .

How are we finding Primary 4 so far?
