

Parkhead PS - Welcome back P6B Newsletter

Message from the class teacher- Mr Wood

I'd like to wish P6B a huge welcome back after the holidays. It has been great to see you all and how well you have settled into the new term & are so keen to learn. I'm looking forward to our journey through Primary 6 and getting to know you better over the coming months

How have we spent our first few weeks?

Literacy-

We have listened to George's Marvellous Medicine by Roald Dahl. We took notes and are currently writing our own blurb for the story and illustrating a book cover. We have completed spelling placement tests and played a game where Mr Wood thinks of an animal & we have to ask Yes / No questions to guess what it is.

Numeracy-

We have been looking at number and Place value up to 10,000. We have also been reviewing rounding to both 10 and 100. We played Times Tables Bingo and won House points for a line and a full house. We have played I'm Thinking of a number which is similar the animal game.

How are we finding Primary 6B so far?

Comments from the class

"I think it's great because I already feel like I've learnt loads and it's only been the first three weeks"

"I am glad to have a new teacher, It's been great"

"Amazing", "Fantastic", "Super".
