

Parkhead PS - Welcome back P7B Newsletter

Message from the class teacher-

I want to say well done to Primary 7B for a fantastic return to school. I've been so impressed with how you've coped with all the change and increased responsibility. It's been lovely getting to know you all so far, and I can't wait for all that's to come this year. I hope you are all as excited for the challenge and fun ahead as I am!

How have we spent our first few weeks?

Literacy-

Mason – “We've been learning about parts of speech, like nouns, verbs, adjectives, adverbs and adverbial phrases.”

Faraz & Josh – “We've been learning about how to use punctuation such as commas.”

Nieve – “We learned never to put a comma next to the word 'and' in a list!”

Kayleigh & Fara – “Have-a-go writing is when you get to do your own bit of writing instead of getting told what to write. It's fun because you get to use your imagination!”

Numeracy-

Abby – “We've learned about place value, which is where you place the number determines the value of the number.”

Sultan – “In numeracy we have been learning how to write numbers in words up to ten millions.”

Marcus – “We've also been writing numbers in expanded form, which means separating the number in to units, tens, hundreds etc.”

How are we finding Primary 7B so far?

Comments from the class:

Joel – “It's been really good so far doing work and settling in.”

Fynn – “The thing I've liked the most is getting my badges, for being a buddy and vice captain.”

Robbie – “I've enjoyed the World War 2 topic because it's fun learning about what happened.”

Isla – “I've enjoyed doing creative club with P7A because we get a chance to do our own designs and be creative.”

Finlay & Leah – “The buddies are really fun to play with and if they're struggling we can help them and be a role model to them.”

Daniel & Kayleigh – “It's been enjoyable, the learning is different and it's fun getting to learn things in different ways.”

Fara & Nieve – “I enjoy working with the other class in spelling and topic, we did maths with them one day too!”

Important dates-

Friday 13th- Tuesday 17th September – September long weekend holiday

Thursday 26th September 2-3pm- Chit Chat

Thursday 3rd and Friday 4th October- Parent Consultations

Monday 14th October- Monday 21st October- October holiday
