

Parkhead PS - Welcome back P5a Newsletter

Message from the class teacher- We have had a busy start to the term, getting back into our daily routines and settling into our new classroom. It was so lovely to meet many of you at the Meet The Teacher event. If you have any queries, questions or feedback for us, please feel free to send an email.

How have we spent our first few weeks?

Literacy-

The class have carried out work on noun types and adjectives within grammar. Both of these have been great help as we prepare and work toward of writing genre of 'descriptive' writing this term. In reading, we began working with the reciprocal reading approach of 'clarifying'. The Reciprocal reading approach aims to improve children's reading comprehension skills.

Numeracy-

In P5 we have been revisiting place values and partitioning with numbers up to 10,000. We have also been comparing and ordering whole numbers. This involved using the 'greater than' and 'less than' symbols. The class are enjoying the variety of lessons with practicality and also outdoor learning. The class have also been working on their time tables weekly with good progress being made.

How are we finding Primary 5a so far?

Lucy – I have enjoyed all the Maths games.
Heidi – I have enjoyed our descriptive writing about Miss Honey.
Miriam – I have enjoyed getting to know my teacher.
Aria – I am enjoying our Maths lessons.

Important dates-

Friday 13th- Tuesday 17th September – September long weekend holiday
Thursday 3rd and Friday 4th October- Parent Consultations
Monday 14th October- Monday 21st October- October holiday
