

How Fast Are You?

In the story, the animals have a race.
Time yourself walking, running,
hopping, jumping etc.
Do it in different places (garden,
playground) and distances.

Are you faster than a snail? A penguin
on a pogo stick? A cheetah?!

Make a Cheetah Mask

In the story, the cheetah is the fastest animal on
land. Could you colour in your own cheetah mask?
Does wearing the mask help you to run any faster?

Animal Cams

Edinburgh Zoo has a range of
animal webcams. Tune in and see if you can
spot them! Discuss what you see with a
family member or friend and create a fact
file about your favourite animal!

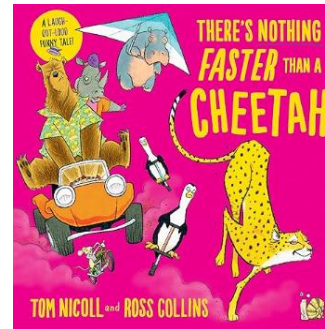

Animals in Vehicles

In the story, each animal's name
starts with the same letter as its
vehicle. Can you use alliteration like
this to draw another animal in a
vehicle?

A horse in a hot-air balloon?
A skunk on a scooter?

Animal Top Trumps

There are lots of animals competing to
be the fastest in the book.
Research each animal and create your
own Top Trumps.

Primary 3 Activity Placemat

Map of My Thoughts

Martha makes a map of her thoughts.

Create a map of your thoughts, do you have any big thoughts? Big questions? Some big dreams for your future? Include them in your map!

Maps, Maps, Maps!

Martha maps out **everything** in the book.

Choose either your street, your building, your house your room or your journey to school and create a map or model to share with your family or friends.

Self Portrait

Martha draws a 'Map of Me' in the book.

Draw or paint a map of you and label all your important features. Which of your favourite things will you include?

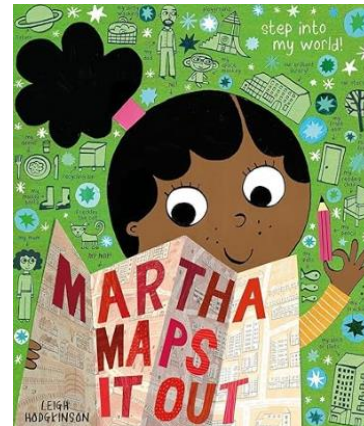

Find yourself in a Map

Explore your favourite places on Google Maps. Use the street view function to see if you can see your house, your school or your favourite landmarks in the world!

Dream House

In her 'Map of My Thoughts', Martha draws her dream house. Tell someone what your dream house would look like.

You could make a model out of Lego, cardboard or things you collect on a walk or even draw your own Dream House just like Martha!
