

# Primary 2 Activity Placemat

## Story Map

If you retell this story, you could change lots of the details. You could change the characters' names, change what the main character finds, you could change the different animals and monsters or have your character make something different with the 'treasure'!

Create a story map and tell a grown up your new and improved story!

## Transform an Object

In the book, Milo uses his imagination to transform normal items from his house into amazing items in his story. Can you use your imagination to transform some items from your house?

Use the super close-up photos to inspire you.

## Make a Story

Turn your story map into a graphic novel or book, just like Milo!

## Make a Model

In the story, Milo makes a treasure chest out of his treasure. Can you make a model of something from either Milo's or your own story? This could be made out of anything you have; Lego, cardboard, playdough etc.

## *'How To Make A Story'*

## Postcard

Imagine you go on an adventure like Milo's - could you send a postcard home? Use the template and draw a picture on the other side. You could send it to someone!

# Primary 2 Activity Placemat

## Dinosaurs Facts

Choose one of the dinosaurs in the book and create a fact file for the dinosaur

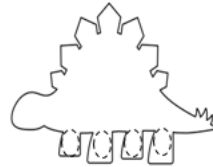

Can you use your tangram (included shape puzzle) to make a model of your chosen dinosaur?

## Dino Tale

Can you think of any stories about a dinosaur? Create your own dinosaur story. Make puppets from your story to help you retell it.

### Find Finger Puppet template

## Dinosaur Skeletons

Read the book to learn about different dinosaurs. Pick your favourite dinosaur and create a skeleton picture of it using paper straws, or natural items like sticks that you've collected from outside.

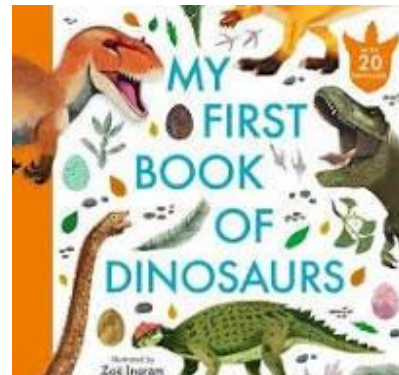

## Dinosaur Footprints

Look at the dinosaur footprint. Can you predict what dinosaur made them? Order the footprints from smallest to largest. Can you make your own dinosaur or dinosaur footprint using your tangram?

## *'My First Book of Dinosaurs'*

Listen to the story

## Dinosaur A to Z

Scan the QR code and listen to the Dinosaur A to Z song. Can you sing along and learn the names of 26 dinosaurs?

Dinosaur A to Z
