

## Parkhead PS - Christmas Newsletter

### Primary 1c

#### News from inside the classroom

Josh: "We have been learning about different sounds. I know that J is at the start of my name and how to write it"

Sofia: "I learned about the letter K and wrote the word Koala with my buddy. I drew a picture of a Koala. They are Miss Lambert's favourite animal"

Ella: "We have been writing about what dinosaurs look like. My dinosaur was pink and purple. It was big and has 2 eyes"

Zaina: "We have learned how to add detail to our pictures. I like adding patterns to my drawings".

Lewis: "I have liked counting up to numbers bigger than 100. I can count to infinity"

Arnold: "We have been learning about dinosaurs. I know that some dinosaurs are carnivores and they eat meat. Herbivores eat plants only"

McKenzie: "We have been using macro sentences in our writing for Santa. Santa is a man. He has a red hat"

Parker: "I have been learning how to write numbers neatly. I like writing the number 8 the most because it's tricky"

Sadie: "I have been learning to read and like listening to stories. I use the sharp eye strategy and look at pictures"

#### Looking back at 2024- Our highlights

Cooper: "I liked reading 'The Stick Man' to the class. It is a good book"

Kacey: "I liked singing and dancing in the Christmas show. I liked my Elf Christmas jumper"

Isla- Grace: "I have liked playing in the different classrooms. I like playing in the home corner with my friends"

Frankie: "I have really liked Christmas. I have also liked counting up numbers bigger than 100. I can add numbers together too.  $100 + 100$  is 200.

Ibrahim: "I have liked counting to the number 5 and playing with my friends in the classroom. I like doing yoga"

Adam: "I have liked making buildings from Lego and in the construction area"

Lilly: "I know all the letters and like to write them neatly. I also like to draw pictures and add detail like colours"

Poppy: "I have liked playing with all my friends in the classroom. I like to do art. I can mix the paints together to make different colours"

Jacob: "I made a really big building for a dinosaur to stay in. It was part of a city. I only used red bricks and that was really hard"

Mila: "I can write my numbers and letters neatly. I can make cards for people in my family. I have taught my friends how to draw pictures"

### Looking forward to 2025- Our hopes and wishes

Jacob: "I am looking forward to learning about Siberian Tigers and other animals"

Raeya: "I can write my name and I want to be able to write my families names"

Sofia: "I like going to rainbows and seeing my friends there"

Arnold: "I am looking forward to doing more Science. I want to learn more about earth"

Cooper: "I am looking forward doing trickier sums. I hope I can add together big numbers"

Ella: "I am excited because I can write all the letters. I hope to read a lot of them"

Kacey: "I am excited for my birthday and seeing all my friends"

Mila: "I am looking forward to teaching my little brother how to read"

Poppy: "I am excited about going to swimming and learning how to swim"
