Primary 5b

News from inside the classroom

In P5 this term, we have been learning about Space. This topic helped us take teaching from inside the classroom to the outside. The class has also enjoyed the Recount writing genre. We have also had many successes outside of school, including Olivia-May performing in a local panto, Ava competing in swimming, and many pupils being very successful with their local football teams. Let's keep this up in 2025! Merry Christmas and Happy New Year from P5b.
