

20th March 2025

Dear Parent/Carer

P2a and P2b Class Visit To Polbeth and West Calder Community Garden
Wednesday 30th April 2025 1-3pm

Primary 2a and P2b will be visiting Polbeth and West Calder Community Garden on Wednesday 30th April 2025 from 1:00pm - 3:00pm.

Pupils will be taking part in a variety of outdoor learning activities which are linked to their current topic work. **Please ensure that your child brings or wears a suitable coat and footwear. The Community Garden can be quite muddy and cold in the shade of the trees.**

The EE2 for the trip is now live on Parent Portal and we invite those parents/carers who have signed up to Parent Portal to access their child's account and complete the online EE2 there. If you have not signed up for Parent Portal your child will bring home a paper EE2, you will need to complete, sign and return this form. **Without the completed online or paper EE2 your child will have to remain in school.**

Pupils will be walking along to the Community Garden with their class teachers and some parent helpers. If you are free to help on that afternoon please complete the online form which can be found by using the QR code below

Yours faithfully

Mrs Savage and Miss Parlett

P2a and P2b Class Teachers
