

## Newsletter

### Primary 5a

#### **Spring News Updates- News or updates from our classroom**

We have had a very busy term full of a lot of exciting things! We had a trip to West Lothian College and participated in Workshops all about Sustainability. We spent a morning at West Calder High School participating in a Handball tournament – that was great fun! We have had a new pupil – Ljay join us this term. We are very excited to meet another new class mate next term.

#### **Our Learning- what have we been learning about?**

Sophie – We have been learning about the Titanic – we made shoe box cabins and I loved it!

Kuzi – We have been learning about Ramadan and we made our own Ramadan lanterns.

Miriam – We have been learning how to tell the time on an analogue clock.

Aaron – We made Titanic cabins and I really enjoyed that!

Kori – We learned about Chinese New Year and Alyna brought us in some Chinese New Year treats.

Lucy – We have been learning that some people fast during Ramadan.

Oscar – In Grammar we have been learning about plurals and how to change from a singular to a Plural noun.

#### **Next up we will-**

We are excited to start a new topic – we are still voting to decide what that will be and get started with our RSHP health and wellbeing topic. In Maths we will be finishing off looking at digital time before moving on to decimals, fractions and percentages. In Writing we will be looking at how to write an information report.

#### **Easter messages-**

Primary 5a would like to wish everyone a very Happy Easter! Enjoy your holidays and hopefully we get lots of lovely warm weather.
