

24th April 2025

Dear Parents/Carers,

Cool Creatures Animal Handling Sessions

This letter is to inform you about an upcoming educational experience for our Primary 1 and Primary 2 classes. On **May 20th**, the school will host a presentation by Cool Creatures.

Cool Creatures provides professionally led animal handling sessions, offering children a valuable opportunity to observe, touch, and learn about a diverse range of animal species in a safe and controlled environment. This session is directly linked to the current curriculum topics being studied in both P1 and P2, enhancing their understanding through practical interaction.

We hope the pupils enjoy the event. If you would like further information regarding the event, please feel free to contact your child's class teacher through SeeSaw.

Kind regards

The P1 & P2 Class Teachers
