

24<sup>th</sup> April 2025

Dear Parent/ Carer,

### **Glasgow Science Centre Trip – 2<sup>nd</sup> June 2025**

We have organised a school trip to Glasgow Science Centre on Monday 2<sup>nd</sup> June 2025. We will be leaving the school at 09:15am via a coach and will be returning before the end of the school day. **Children will require a packed lunch, a snack and a water bottle for this day.** The school can provide children with a school packed lunch but this will need to be ordered through iPayimpact in advance.

This trip is an exciting opportunity for your child to consolidate their learning this year as all education activities are carefully designed to link with and support the Curriculum for Excellence and National Qualification Stages.

Please complete the online EE2 on Parent Portal. If you have not yet registered for Parent Portal your child will bring home a paper EE2 which will need to be completed, signed and returned to your child's class teacher. Your child will not be able to attend the trip unless the online EE2 or paper EE2 has been completed.

The cost of the trip is £8.20 which includes transport and the cost of the activities at the science centre. **Payment for the trip is through Ipayimpact only and payment should be made before the day of the trip.** Thank you for your support with this. The cost of the trip has been subsidised by the school.

If you have any questions regarding the school trip please feel free to contact your child's class teacher.

Kind regards

*Miss Daun & Miss Carmichael*
