Volunteering Your Time at Parkhead Primary School

There are many ways you as parents can support our school and we value the variety of help we receive. If you have some spare time and feel you could help us in school, please complete the online form using the QR code below. We welcome the support of mums, dads, grans, grandads, aunties and uncles.

Once we have received your response, we will send home a PVG Application with your child. Please complete and return the form to the school with the supporting documents listed in the application. All supporting documents will be returned to you on the same day they are received. Once your PVG application has been cleared we will add your name to our list of parent/carer volunteers, and we'll be in touch.
