

## Parkhead PS - Term 2 Newsletter

### News from inside our classroom

Hello everyone,

We've had an incredibly busy and exciting start to Primary 5! The class has embarked on fascinating journeys, delving into the Titanic's historical significance and now exploring the vibrant ecosystems of the Rainforest. In addition, the class sharpened their literacy skills by mastering a range of punctuation rules and enhanced their mathematical prowess through various addition and subtraction strategies. As a class, we have also celebrated many pupils' achievements, ranging from fundraising for Jax's Den to competing in kickboxing tournaments and dance shows, and much, much more!

### Our Highlights - Looking back at Term 1

*"We learned about the Titanic and discussed the different individuals who might have contributed to the accident! This was enjoyable."* – **Leo.**

*"I loved writing a descriptive text about Matilda."* – **Sofia.**

*"We have been learning our times tables"* – **Laila.**

*"I enjoyed using the formal method for addition and subtraction"* – **Tyler.**

*"The science experiments were fun!"* – **Callum.**

*"I enjoyed everything in grammar"* – **Eden-Rose.**

*"It has been good doing Building Thinking Classrooms during our maths"* – **Amelia.**

### Looking forward to Term 2

*"I am looking forward to doing more health and well-being"* – **Jack**

*"I am excited to learn more about the Rainforest"* – **Ella & Jacob**

*"I can wait to learn about the animals in the Rainforest",* – **Callie**

*"I am looking forward to doing our class Christmas art"* – **Arianna**

*"I can't wait to do more PE with Mr Ferguson this term"* - **Liliana**
