Dear Parents and Carers of P7a and P7b,

We are pleased to announce that our Primary 7 pupils will soon begin the next stage of their Bikeability journey. We have coordinated with the delivery team to ensure all pupils have the opportunity to develop their cycling skills and safety awareness.

Session Dates

Bikeability training will take place on the following dates:

- **Tuesday 28th April 2026**
- **Tuesday 12th May 2026**
- **Tuesday 19th May 2026**
- **Tuesday 26th May 2026**
- **Tuesday 2nd June 2026**

What Your Child Needs

On each of the dates listed above, please ensure your child brings:

1. Their bicycle (in safe, working order).
2. A correctly fitted cycle helmet.
3. Appropriate outdoor clothing (sessions will take place outdoors).

Support with Equipment

We want to ensure that every child can participate. If your child does not have access to a bike or a helmet, please contact the school office as soon as possible. We can make arrangements to borrow equipment so that no pupil misses out on this valuable training.

EE2 Form

Pupils will be training on quiet roads near the school, therefore we require an EE2 to be completed. The EE2 is now live in Parent Portal and requires completion before the first session starts.

Included with this communication is a Parent Information Leaflet from the Bikeability team, which should answer any questions you may have regarding the curriculum and safety protocols.

Thank you for your continued support in helping our pupils stay active and safe.

Kind regards

Louise Delargy
Head Teacher
